THE VALUE OF HR OUTSOURCING WITH WORKFORCE

EFFECTIVE HR PROGRAMS ARE THE ENGINE FOR SUCCESSFUL ORGANIZATIONS

- **Save Money:** Every company of any size would like to stay legal and prevent liable actions without spending \$300 - \$400 per hour on attorneys or hiring additional HR Mgrs with salaries ranging between \$80K to \$100K+ per year
- **Save Time:** Gives business Leaders the freedom to focus on Revenue producing priorities. We provide the high level expert support and infrastructure that improves your company's workforce value.
- **Security of Services:** In addition to our expert Employment Attorneys, every HR Consultant is insured for their counsel and further backed by our Companies a multi-million dollar E & O policy if anyone challenges our counsel to your company
- **Develop Projects that improve your entire Workforce:** Consistent policies, performance management, wage and rewards, group health insurance, along with on-going training and development will improve morale, legal compliance and direct your workforce to better accomplish the company's revenue and productivity goals. All programs are customized to meet Company standards and culture
- **Instant access to Senior-level HR experts:** at a fraction of the cost, without hiring anyone else to your HR staff. Your Company will be assigned a Sr. Consultant as the primary contact, along with a fully integrated HR Support Team
- **Instant access to our Employment Attorneys:** Our Attorneys specialize in California Labor Law! In most cases, this service is built into your retainer at "no extra cost"
- **Many more benefits including:** Professional Recruiters, Trainers, Safety/OSHA/Workers Comp experts, Business Operations, Group Health Benefits, Payroll and many other experts at your service when you need them. Almost everything is Built right into your retainer program at a lower cost than hiring a single HR manager. **We are local and based out of Southern California.**
